

OUR COMMUNITY IS STRUGGLING TO STAY ONLINE

WE NEED YOUR HELP

The cost of living crisis means many West London residents are struggling to afford broadband and mobile internet access. Having no internet connection can lead to social isolation, fewer employment and educational opportunities and, without access to online offers, even higher costs of living.

Would you like to help someone stay connected by showing them how to switch to a more affordable deal?

FREE ONLINE COURSE

Access instantly on any device. Takes around 15 minutes and you'll receive a CPD certificate.

- ✓ What social tariffs are and how to switch to one
- ✓ How to find a better broadband deal or mobile data package
- ✓ Helping someone else to stay connected
